Large hopes grow from small seed.

For
Judge of Probate

Should one man HAVE A LIFE LEASE ON THE POLITICAL GIFTS OF THE PEOPLE?

Shall Ionia County adopt a principle of LIFE TENURE for county officials?

IS FOUR YEARS as Register of Probate and TWELVE YEARS as Judge of Probate enough for ONE MAN? (Total salary, not including fees, to January 1, 1917, \$22,466.66.)

No man should have a LIFE LEASE on the political gifts of the people. It is undemocratic and contrary to our American idea of letting the people express their choice by general elections as provided for by our National and State Constitutions. Had the framers of our State constitution thought that Judges of Probate should hold office for life THEY WOULD HAVE MADE THE OFFICE APPOINTIVE BY THE GOVERNOR INSTEAD OF PROVIDING FOR AN ELECTION EVERY FOUR YEARS.

If his name does not appear on your party ticket mark a cross (X) before his name in the Democratic column.

Glen D. Mathews

Democratic Candidate

Judge of Probate

Ionia County

In this campaign you have heard much about other counties. As there are eighty-three counties in our great State we cannot be familiar with local conditions in any particular number of them. Therefore they can have no weight in our deciding what we care to do.

LET IONIA COUNTY VOTERS DECIDE IONIA COUNTY POLICIES

Since Michigan became a State in 1837 twelve men have filled the office of Judge of Probate for Ionia County. During all this time of nearly EIGHTY YEARS no man has presumed to ask the voters of this county to "stand by" him for a FOURTH TERM for this office. SHOULD WE CHANGE THE CUSTOM NOW? IF YOU BELIEVE THAT ALL THE PEOPLE SHOULD HAVE A PART IN THE GOVERNMENT INSTEAD OF A CHOSEN FEW mark a cross [X] before the name of Glenn D. Mathews when you ballot November 7th. It will be greatly appreciated.

Every Estate Passes Through the Probate Court on the Average of Once in Every Twenty-five Years

JUDGE MONTGOMERY WEBSTER of Ionia

REPUBLICAN CANDIDATE for JUDGE OF PROBATE

HON. MATTHEW BUSH of Corunna

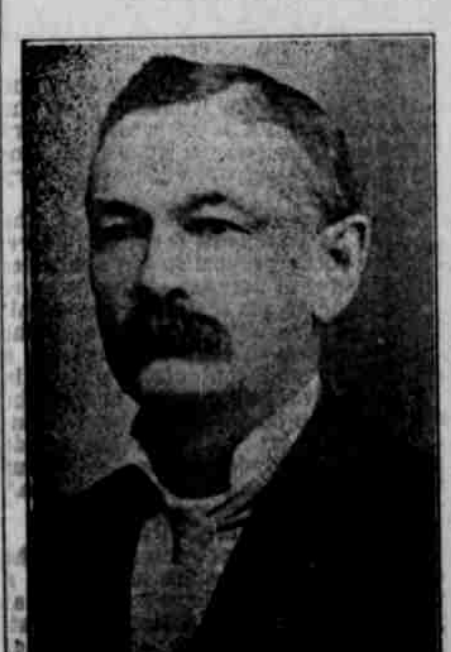

now serving his 28th year. He states that it would take a new man from 8 to 12 years to acquire the experience and familiarity with the estates of Ionia County that Judge Webster possesses.

Michigan's greatest Judge of Probate—Hon. Edgar O. Durfee of Detroit—now serving his 40th year as Judge of Probate of Wayne County, having been first elected the same year Judge Webster of Ionia County was born, and having served continuously since. His training and experience have made it possible for him to render such valuable services for his county and state.

Judge Durfee, in referring to Judge Webster, recently stated that he had been pleased with the work of the Ionia Probate Court as it had been done in an excellent manner.

HON. HENRY C. RANSOM of Ludington

who died last month while serving his 28th year as Judge of Probate of Mason County.

HON. EDGAR O. DURFEE of Detroit

HON. CHAS. M. MACK of Hastings

now serving his 12th year as Judge of Probate of Barry County.

HON. FRED H. STONE of Hillsdale

now serving his 16th year as Judge of Probate of Hillsdale County.

HON. EDWARD P. KIRBY of Grand Haven

now serving his 16th year as Judge of Probate of Ottawa County. He says: "Judge Webster has been one of the hardest workers in the Association of Probate Judges and has always given willingly of his time toward perfecting the probate practice in this state."

What shall we say more? For the time would fail us to speak of Judge Merrill, of Clinton County, on our east, who recently died while serving his twenty-second year; of Judge Larwill, of Lenawee County, renominated without opposition for his fifth term; of Judge Jewell, of Kent County, on our west, who was re-elected until he resigned to practice law, and many others, ALL OF WHICH GOES TO PROVE THAT THE EXPERIENCE OF A JUDGE OF PROBATE IS RECOGNIZED AS BEING A BENEFIT TO HIS COUNTY.
